The Old Maysville & Lexington Turnpike.

[Maysville Bulletin]

At a meeting of the stockholders and directors of the Maysville & Lexington Turnpike Company held in this city Saturday, the Board of Directors through the President, Col. W. W. Baldwin, was empowered, authorized and directed to convey to the Fiscal Courts of Fleming, Nicholas, Bourbon and Fayette counties that portion of the road in each county, respectively.

Out of the 2,374 shares of stock in the company 2,964 were represented. Of the total number of shares the State owns 1,937. These were represented by Col. W. W. Baldwin, who had been authorized by Governor Bradley to look after the State's interest.

The price for the Fayette county portion of the road is \$1,863 per mile, the company retaining all the tollgate property in said county.

Bourbon county is to pay \$20,333.33, and the stock held by said county, amounting to 100 shares; also the stock held by the city of Paris, consisting of 40 shares. The road is to be leased to the county at so much per year until the purchase price is raised by the issue of bonds. The company retains all the tollgate property in said county.

Fleming county is to pay \$5,000 for her portion of the road, the company retaining all the tollgate property.

Nicholas county is to pay \$24,500 for her portion of the road, including the bridge across Licking River, and all the toll houses and lots in said county, except the one at Forest Retreat and the one next to Millersburg.

The Board of Directors, through the President, was also authorized to negotiate a sale or lease of that portion of the road in Mason county, including tollgate property therein situated, upon such terms as he deems advisable, and to execute and deliver proper conveyance or lease to carry out any sale or letting he may make.

There are about eight miles of pike in Fayette, sixteen in Bourbon, fourteen in Nicholas, five in Fleming and about sixteen in Mason county.
